It's So Easy!

With 104 newspapers and a combined circulation of more than 1 million, the Ohio 2x4 Display Network is bigger than any metro daily newspaper in the state. The standard ad size is 3.25" across by 4" deep – providing plenty of space for logos and website addresses. And at a price of only \$1,860, this network of quality community newspapers offers great value to small space advertisers! (All ads have to be in a PDF form).

Don't overlook the many Ohio 2x4 sales opportunities:

- Car Shows
- Antique Shows
- Garage Sales
- Sports Events
- Auctions

And remember, your newspaper keeps \$1,302.00 out of \$1,860 selling price for each 2x4 network ad sold!
